Dear Mr. Sloan:

The Archdiocese of New York is delighted to welcome the Catholic Thrive Conference to New York City on Labor Day weekend, September 5-6.

May this Conference inspire all who attend to a fuller participation in the life of the Catholic Church and to a deeper commitment to Jesus Christ. May it be a source of God's grace and blessings for all, especially for the young adults who will attend.

Sincerely,

Most Reverend Dennis J. Sullivan
Vicar General
